

Guelph CPA Destination Division Information

- Thursday night Double Jeopardy Division at The Real Deal starting @ 6:30 PM
- Division will start Thursday January 8th
- Minimum of 6 teams needed with a maximum of 7 teams allowed
- Division qualifies for Cash Cup, MVP and Regionals exactly the same way as any other division
- Fees are \$110 per team per week plus an additional \$60 per team per week for the Destination Fund for a total of \$170 per week.
- The Destination Fund is 100% payback and is accounted for separately than the other league fees
- Based on 45 weeks plus playoffs, the expected destination fund will be 6 teams X 48 weeks x \$60 = \$17,280. That is the projection of how much the Destination Division Winner will receive for a vacation of their choosing
- Teams must be willing to play all 3 sessions beginning in Spring 2026 and finishing in Fall 2026. If a team drops out, they will be charged the Destination Fees for the balance of the year.
- All teams in the Division will qualify for the Destination Tournament held in January/February of 2027 regardless of where they finish in the standings.
- The Destination Tournament will be 2 separate 8-Ball and 9-Ball Tournaments and will be seeded based on total points from the 3 sessions. In the more than likely event that 2 different teams win the 2 different Destination Tournaments, then the 2 Tournament winners will playoff against each other in 5 matches of each format with the most match wins determining the winner. If the matches are then tied 5-5 then another tiebreaker round will be played involving single rack games.
- If the same team wins both Destination Tournaments, then they will be the Destination Division Winner.

This is a great Division structure that has been successful in other league areas. Lots of teams across the APA have won Cruises, All inclusive vacations, trips to Hawaii and most recently a trip to France by Montreal League players. Lots of fantastic vacation destination options await the winners of this division.
